

### **communicating affection interpersonal behavior pdf**

Affection can be communicated by looks, words, gestures, or touches. Affectionate behavior may have evolved from parental nurturing behavior due to its associations with hormonal rewards.

### **Affection - Wikipedia**

An interpersonal relationship is a strong, deep, or close association or acquaintance between two or more people that may range in duration from brief to enduring. This association may be based on inference, love, solidarity, regular business interactions, or some other type of social commitment.
