The Anglo-Saxon settlement of Britain describes the process which changed the language and culture of most of what became England from Romano-British to Germanic. The Germanic-speakers in Britain, themselves of diverse origins, eventually developed a common cultural identity as Anglo-Saxons. This process occurred from the mid-fifth to early seventh centuries, following the end of Roman power in ...

Of the 44 men who have served as Presidents of the United States, at least half have displayed proficiency in speaking or writing a language other than English. Of these, only one, Martin Van Buren, learned English as his second language; his first language was Dutch. Four of the earliest Presidents were multilingual, with John Quincy Adams and Thomas Jefferson demonstrating proficiency in a ...
