My home base is a little blog called "Across the Hall in 2nd Grade". My friend Jenna and I came up with the name because we teach 2nd Grade together and we've discovered over the years that a good idea, a really good laugh, or a really, really, good happy hour buddy can often be found just "across the hall".

The American Journal of Ophthalmology (AJO) is a peer-reviewed, scientific publication that welcomes the submission of original, previously unpublished manuscripts directed to ophthalmologists and visual science specialists. The manuscripts describe clinical investigations, clinical observations, and clinically relevant laboratory investigations.

## **Guide for authors - American Journal of Ophthalmology**

However, if you are discussing, for example, the historical context in which the episode originally aired, you should cite the full date. Because you are specifying the date of airing, you would then use WB Television Network (rather than Mutant Enemy), because it was the network (rather than the production company) that aired the episode on the date you're citing.

Education in the United States is provided by public, private and home schools.. State governments set overall educational standards, often mandate standardized tests for K-12 public school systems and supervise, usually through a board of regents, state colleges, and universities. Funding comes from the state, local, and federal government. Private schools are generally free to determine ...
