Engineering Economics - R. Panneerselvam - 1st Edition

The Vision of the Department of Electronics and Communication Engineering, National Institute of Technology Silchar is to be a model of excellence for undergraduate and post graduate education and research in the country.

E.C.E. Dept. | NIT Silchar

Introduction We hope this page will eventually contain all the known data about the SU-8 photoresist. Thus, we need your help! Send all your data number 1605, and I will include it in this page, with credits, of course! The SU-8 is a negative, epoxy-type, near-UV photoresist based on EPON SU-8 epoxy resin (from Shell Chemical) that has been originally developed, and patented (US Patent No ...
